Booking

To secure your booking, we require a deposit of £5,000 for a normal delivery and £6600 for a Caesarean section. In the event of cancellation, a £375 cancellation fee is charged. We accept payment by cheque payable to Imperial College Healthcare NHS Trust or by all major credit or debit cards with the exception of American Express.

After your discharge home, any credit remaining on your account will be returned to you.

Other additional charges

Additional charges are made if you require critical care. If your baby requires transitional or specialist care, this is free if they are entitled to NHS care and is chargeable if they are not.

When samples are sent to an outside laboratory you will be billed directly.

Any unplanned additional interventions ordered by a member of the clinical team will be charged separately.

Any special dietary requirements will incur an additional charge.

If an interpreter is required an additional fee will be charged.

If you would like further information about these charges, please contact us on **+44 (0)20 3313 3925**

If you are insured and your insurance company is paying your account, please contact them to confirm the terms of your cover and obtain a pre-authorisation number.

You must provide confirmation of cover prior to your admission. If confirmation is not provided within this period, you will be eligible to meet all charges.

The price you will be charged is the price on the day of your admission, not the date you book. Our prices are inclusive of VAT.
