Prices are subject to change and will be reviewed as the market dictates.

Our packages of care do not include:

- Any antenatal care beyond the midwifery appointment(s) included in the package
- Professional fees for obstetric services
- Professional fees for anaesthetic services
- Blood transfusions, diagnostic tests and injections not specified in the package
- Non-routine take-home medication
- Hearing check (unless NHS eligible)
- Additional guest meals (excluding the package inclusions overleaf)

Loyalty birth

For mothers who have previously had a baby with Imperial Private Healthcare, we are delighted to offer a 10 per cent reduction on the standard delivery packages. We also extend this discount to mothers who were patients of Imperial Private Healthcare's fertility service. Please note these offers are not applicable to insured women.

Booking

To secure your booking at The Lindo Wing, we require a deposit of **£7,300** (for normal delivery) and **£10,400** (for caesarean section). In the event of cancellation, a £400 cancellation fee is charged. We accept payment by cheque payable to Imperial College Healthcare NHS Trust or by all major credit or debit cards with the exception of American Express.

After your discharge home, any credit remaining on your account will be returned to you.

Other additional charges

Additional charges are made if you require critical care. If your baby requires transitional or specialist care, this is free if they are entitled to NHS care and is chargeable if they are not.

Any unplanned additional interventions ordered by member of the clinical team will be charged separately.

Discharge time is 11:00 am. Additional charges may be applied for late discharge.

Hearing tests will be charged at £75, unless NHS eligible.

Insurance

If you are insured and your insurance company is paying your account, please contact them to confirm the terms of your cover and obtain pre-authorisation number.

You must provide confirmation of cover prior to your admission. If confirmation is not provided within this period, you will be eligible to meet all charges.

Insured patients will be charged £150 per day for Nursery care as insurances do not cover these costs.
